Mark Wendling, MD, LVPHO Executive Director, stated that this year, LVPHO is celebrating its 25th Anniversary! The mission since 1993 remains just as relevant today as it was 25 years ago: To ensure high value, satisfaction and positive outcomes in health care at an affordable cost, much like the IHI's triple aim of 2008.

Dr. Wendling explained that achieving the LVPHO mission requires strong partnerships with Populytics and insurers to achieve better health, better cost, and better care.
